SENIOR CANDIDS

The background of the entire image is a complex, abstract geometric pattern. It consists of a grid of squares, some of which are shaded in a light gray tone. These squares are arranged in a way that creates a three-dimensional effect, with lines extending from the corners of the squares to form a series of overlapping cubes or rectangular prisms. The perspective is from a low angle, looking up at the structures, which gives them a sense of height and depth. The lines are black and of varying thickness, creating a strong visual rhythm. The overall composition is dynamic and modern.

SOPHOMORES

The background of the page is a complex geometric pattern. It features a grid of squares, some of which are shaded in a light gray tone. Overlaid on this grid are numerous perspective lines that create a three-dimensional effect, making the squares appear to float or recede into the distance. The word "SOPHOMORES" is printed in a large, bold, black, sans-serif font, positioned diagonally across the upper portion of the page. The letters are slightly tilted, following the angle of the perspective lines.
